Subcommittee	Status	Origin	Appointing Authority	Area of Responsibility = Mandate / Code Provision	Member 1	Member 2	Member 3	Member 4	Member 5	Member 6	Member 7	Member 8	Member 9
Existing Buildings Advisory Committee	Existing	BBRS	BBRS Chair	Ch 34	BBRS Member	Mechanical Engineer	DOL Appointee	municipal fire official	municipal building official	Structural engineer	architect	building envelope consultant	building commercial developer
Geotechnical Advisory	Existing	BBRS	BBRS Chair	Ch 16, 17, 18 (Soil and Foundation provisions) Coordinate with Structural Advisory Committee	BBRS Member	BBRS Member	DOL Appointee	municipal building official	Earthwork contractor	engineer with geotechnical expertise	engineer with geotechnical expertise	engineer with geotechnical expertise	engineer with geotechnical expertise
Structural Advisory Committee	Existing	BBRS	BBRS Chair	Ch 16 through 23, 34 Coordinate with Geotechnical Committee	BBRS Member	BBRS Member	DOL Appointee	municipal building official	architect	structural engineer	structural engineer	structural engineer	structural engineer
Energy Advisory	Existing	DOER	BBRS Chair	Ch 13 (Base Energy Code) Coordinate with DOER	BBRS Member (account for following role: suggest contractor)	BBRS Member (account for following role)	Building envelope Or HERS rater Or Certified Passive House Consultant	National Labs Or ComCheck Or ResCheck staff	architect	Mechanical engineer w/ ATC experience	municipal building official	DOER staff	DOL appointee
Manufactured Buildings Study Group	Existing	BBRS	BBRS Chair	110 R3	BBRS Member	Construction Supervisor CSL	DOL Appointee	municipal building official	architect	MEP/FP engineer	Structural engineer	Industry Representative - Installation	Industry Representative - Manufacturing
Climate Resiliency	New	EEA	BBRS Chair	IRC 1, 3, IBC 16, 780 CMR Ch 34, Ch 115 App G (& App M?)	Designee of the Secretary of Energy and Environmental Affairs - inland flooding designee	Designee of the Secretary of Energy and Environmental Affairs - coastal flooding designee	Chief of Inspections, Office of Public Safety, DOL or their designee	Local building inspector from coastal community that has experienced repetitive flood losses	Local building inspector from inland community that has experienced repetitive flood losses	Architect with expertise in resilient design	Civil Engineer with expertise in resilient design	Engineer with expertise in resilient design / Mechanical Systems	Commercial / Residential Development building representative
Fire Protection/Prevention	Existing	BBRS	BBRS Chair	Ch 4, 7, 9, 33	BBRS Member	Fire Marshall designee	DOL Appointee	municipal fire official	municipal building official	Building contractor	Fire protection engineer	architect	Commercial Building developer
Residential Code Subcommittee	New	BBRS		Ch 51	BBRS Member	BBRS Member	DOL Appointee	municipal building official	architect	structural engineer	Residential Contractor	Residential building developer	Municipal fire official
Greenhouse/Cannabis	New	BBRS	BBRS Chair	TBD	BBRS Member	BBRS Member	DOL Appointee	municipal building official	architect	reenhouse manufactui	Agricultural Industry Representative	Cannibis Industry representative	Municipal fire official
